8/05/2019

Dear Parents,

As part of our History project **Personal and Family Histories** each child is asked to present a short oral language talk (news) about their family history. Children are encouraged to use a personal source to support their presentations. These may include photos, items of clothing, toys or other 'historical' items.

The talk will be a couple of minutes in length and will be a short story from the child about their family history. For example, the change in time (from when their grandparents were young to now); a family story which has been passed down; how much they have changed from a baby until now or any other story from their family history. A personal item can be used to support this talk.

These presentations will take place next Monday the 13th and Tuesday the 14th of May (Week 3). Please feel free to bring the items in this Friday ready for the lesson on Monday.

Please don't hesitate to contact myself if you have any questions.

Kind regards,

Grace Anderson  
Student Teacher
