**Tips, tricks, knowledge to keep your child safe online.**

**By Paul Litherland. Founder Surf Online Safe. 2022 WA Australian of the Year.**

Paul is recognised as Australia's leading educator in Internet Awareness and parent cyber safety. In this dynamic presentation he uses his experience, as a former Western Australian Police Officer, to help parents understand the behaviour and the risks that their child is exposed to online.

Paul's engaging adult only parent presentation, is non-technical and designed to equip you with solutions to use as soon as you get home. He'll cover all these essential online risk areas:

- Social Networking: The apps kids are using. Current trend and pitfalls.
- Juvenile Online Crime Risk: Current trends and concerns, protection methods.
- Sexting and Sextortion: Detection, prevention and coping.
- The Law: What is available, what is needed, reporting options.
- Online Gaming Issues: Current trends and areas of risk.
- Safety and Control Options: Apps, software, tips and hints
