Dear Parent/Carer,

Feedback from our student Classroom Representatives in 2024 requested we introduce a school jumper, which will be worn underneath the school jacket. The School Advisory Council agreed to go ahead with this additional optional item.

The school jumper will be a pre-ordered item only and does not form part of the official school uniform. This means for school photos and excursions offsite; all students will be required to wear the jacket. **Jumpers will not be held in stock.**

Jumpers can be purchased for \$35 and once ordered (minimum of 30) will take approximately 5 weeks for production. They are poly cotton fleece lined with a rib neck and sleeve cuff. They will also have our school logo embroidered on the left-hand chest area. Please be mindful that sizing on these is **very generous**.

Please complete the order form below to order. Payment needs to be made up front prior to purchase and can only be in the school office via EFTPOS or over the phone. Please contact us on 97826500. **All orders to be placed and paid for by Friday 21 March.**
