### Calling All Parents & Community Volunteers

We need YOUR help to make this year's STEMathon a success! Join us for a fun filled day of science, technology, engineering and math activities that will inspire all children.

We need many more volunteers, that includes Dads and Grandparents, to assist with various activities to ensure the day runs smoothly. We provide morning tea and lunch to all volunteers. So please get in contact with us ASAP if you are keen and available.

We also need families to start collecting some resources for us, especially over the school holidays!

Boxes of all shapes and sizes  
Cardboard rolls/cylinders  
Berocca/M & M tubes or similar
