

Growing Good Blokes

This FREE informative and practical presentation begins by exploring masculinity and its impacts on boys' mental health, their propensity to risk and aggression, boys' relationships with girls and women, and the quality of their social connection.

Topics covered will include:

- How the interplay between stoic masculinity and social media are leaving an increasing number of boys lacking the social intelligence that is essential for them to thrive.
- Practical tips for getting boys talking on all kinds of difficult topics at home and a large list of conversation starters.

About Mike Dyson Growing Good Blokes Co.

Mike Dyson founded Good Blokes Co in 2015 and has lead tens of thousands of conversations with blokes all over Australia in workplaces and schools, on men's leadership retreats and father & son camps and on rites of passage programs for young men.

These conversations give him a rare insight into what's truly going on behind the mask of masculinity and a unique perspective on how our culture of masculinity shapes our men and boy's wellbeing and behaviour.
