

## Family Tea Towel Fundraiser St Joseph's Waroona P&F

This year's fundraiser is a little different and students will have their artwork digitally printed onto tea towels by a Western Australian - based company, Digital Printive.

Students have been completing a Family artwork for their tea towel during Art lessons with Mrs Fuller. Images will be uploaded to Seesaw by the end of Term 3 for perusal before ordering.

Tea towels are \$25 each and come printed with your child's artwork. They make fantastic gifts for family!

If you have more than one child in the school, they have also completed the family tea towel. You are welcome to order from all family members that have created a design, please specify this on your order form.

Please complete the order form below – on or before 22<sup>nd</sup> October. Processing time is approximately 5 weeks so the products can be manufactured and delivered before the end of Term 4.

Late orders cannot be accepted.
