### Staff Carpark:

We ask all families to please refrain from entering or parking in the staff carpark at any time. Our students are in this area throughout the day therefore no traffic during school hours is essential to their safety.

### Full Family Details

At the beginning of every school year, we normally send home a print out of all of your family contact details for updating. To save paper this year, we have decided to encourage parents to advise the school if any details change. This includes phone numbers, emails and emergency contact details. Please email the school any changes when they occur.
