Family/Medical Details:

It is very important that all students and parent personal information is kept up to date. If your details or your emergency contact details have changed recently, please contact the school office to update them on admin@stjoeswaroona.wa.edu.au. If your child has a change in any previously reported medical conditions, please contact the school office ASAP.

Uniforms:

It has been awesome to see all our students looking so smart in their school uniforms. To assist families to continue our high standard, uniforms are available for purchase in the school office anytime.

Allergies:

We are a nut aware school. Some of our students are allergic to nuts and nut products. We request that families refrain from sending anything that contains nuts in student lunch boxes. This includes nuts in muesli bars, peanut butter and Nutella. We thank you for your understanding on this very important matter.
